

## 103 Deluxe® corner bead provides durable, straight and crisp, clean 90° outside finished drywall corners.

- *Electrogalvanized coating for corrosion protection.*
- *Superior compound adhesive.*
- *Strong metal reinforcement for drywall corners.*
- *Exposed nose of the bead resists impact and forms a screed for finishing.*

103 Deluxe®

**Clinch-On Products, Co.'s Cornerbead Tool**  
**Faster...Tighter... More Exact!**  
 Available by the piece or pallet.

**103 DELUXE DRYWALL CORNER BEAD**

Dietrich 103 Deluxe® corner bead is used to provide a high-quality finish and solid protection at drywall corners. This traditional drywall finishing product is nailed, stapled, screwed or clinched into place. Flanges are deeply knurled and perforated for excellent joint compound adhesion.

103 Deluxe® corner bead (CBU) is considered the premier drywall finishing corner bead product. This product combines a unique manufacturing process, with specially enhanced electrogalvanized steel to provide consistent, high-quality finishing each and every time.
