

Used to create a rounded or bullnose edge at drywall terminations at doors and windows.

- Strong metal reinforcement at doors and windows.
- Requires less finishing compound.
- Easy to install.

Dietrich “J” Round™ corner bead provides a rounded or bullnose edge at drywall terminations at doors and windows. “J” Round™ corner bead is available in 1/2" and 5/8" sizes and in either a galvanized or prime painted surface for shadow-free finishing. Coating finish must be specified at time of order.

“J” Round™ Bullnose Corner Bead (JRND)
